... posture e sezioni / postures and sections...

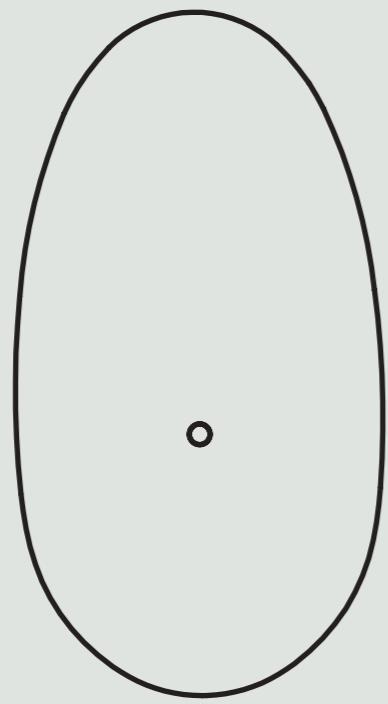

... lontane dal consueto quotidiano / far from everyday habits...

... per una parentesi di tranquillità / for a leisurely pause...

... al riparo dai ritmi contemporanei. / hidden from fast-paced modernity.

In una ricerca che dura da oltre 20 anni / In a more than twenty year long research...

... Agape attraversa forma, materia e dimensione / Agape explores form, matter and size...

Spoon M è la tappa più recente di una ricerca che dura da oltre 20 anni e attraversa forma, materia e dimensione in un percorso evolutivo della vasca Agape che, con instancabile meticolosità, procede volentieri per iterazioni successive.

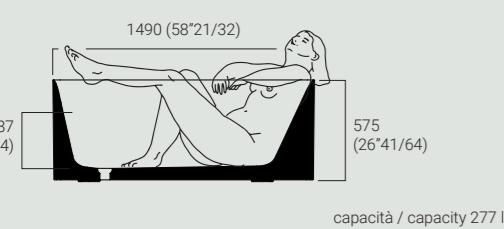

La nuova vasca, affira le qualità formali, dimensionali e materiali dell'icona Spoon, a listino dal 1998. Geometrie più sofisticate, spessori più sottili si sposano con un uso parsimonioso del materiale adottando delle potenzialità offerte dai nuovi metodi di produzione. Le sue forme si adattano all'ambiente, pur mantenendo il caratteristico profilo domestico contemporaneo raffinando nel tempo la postura avvolgente che da sempre caratterizza la famiglia Spoon.

Spoon M è realizzato in Cristalplant® biobased ed è disponibile bianca o bicolore con esterno grigio chiaro o grigio scuro.

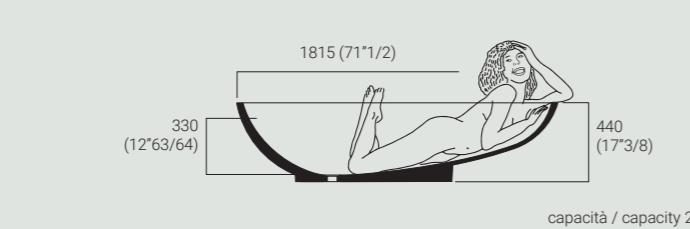

Spoon M è la tappa più recente di una ricerca che dura da oltre 20 anni e attraversa forma, materia e dimensione in un percorso evolutivo della vasca Agape che, con instancabile meticolosità, procede volentieri per iterazioni successive.

The new bathtub refines the formal, dimensional and material qualities of the iconic Spoon, on sale since 1998. More sophisticated geometries, thinner edges marry a more frugal use of materials, fully exploiting the latest advances in manufacturing technologies. Its size adjust to the new perspectives offered by the contemporary domestic landscape while refining the gently enveloping posture that has always been a hallmark of the Spoon family.

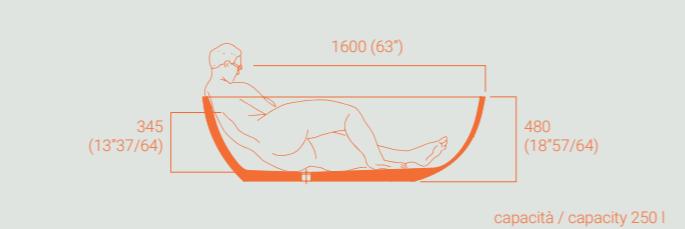

Spoon is made in Cristalplant® biobased and it is available in white or two-tone versions in light or dark grey.
